FMESA respectfully requests your presence for: 3rd Biomed Congress on Thursday October 20th (8:00 A.M. to 4:30 P.M.) at the Hilton in the Walt Disney World Resort.

*TechNation MD Expo is proud to host and support The Federation of Medical Equipment Support Associations' (FMESA) 3rd Biomed Congress. Our theme this year will be a question: **Our Profession has a new name "Healthcare Technology Management" so what's next?** To help answer that question FMESA will be providing a forum to begin to address this question and others that may arise. AAMI will have a representative at the forum to provide information and their vision of where we are headed and to gather information to bring back to AAMI's leadership. We are looking forward to good working discussions and exchanges of ideas on this matter. In addition, the Federation of Medical Equipment Support Associations (FMESA) will also be providing a report and will take comments on last year's Biomed Congress' Initiative, Addressing Core Biomedical Education. Lastly, FMESA will conduct it's annual required business meeting this will include board member elections. Please RSVP at f2mcmurtrie@browardhealth.org. We hope to see you all there.*
